DEPAUL SCHOOL

FOR HEARING & SPEECH

Our Mission

Following the values and traditions of our founders, the mission of DePaul School for Hearing and Speech is to teach each child who is deaf or hard of hearing to listen, speak, and learn. Our children enter the educational mainstream with the foundation to succeed.

Identity

Founded in 1908 by the Diocese of Pittsburgh and the Sisters of Charity of Seton Hill, DePaul School for Hearing and Speech has been providing quality Listening and Spoken Language (LSL) education to children who are deaf or hard of hearing for more than 100 years. DePaul School is licensed by the Commonwealth of Pennsylvania as an Approved Private School (APS).

It is the policy of DePaul School to provide equal educational opportunities to all students who qualify for admission without regard to race, color, religion, sex, ancestry, or national origin.

Dear Friends –

As we reflect upon the closing of the 2018-2019 year, it is so exciting to chart the growth and progress for students and for staff. The 2018-2019 school year brought many educational experiences that helped our students to grow, including new vocabulary and a deeper understanding of the world around them. We saw an expansion of the Baby and Parent group to include a semi-structured playgroup. This gave parents an additional opportunity to meet with our early intervention staff, as well as to make connections with other parents of children who are deaf or hard of hearing. Because deafness is such a low incidence disability, this opportunity is very important for families!

With the completion of the new Early Intervention Learning Center, we were able to offer three sections of our Toddler Program so parents of babies 18 months through three years could participate in our program. We offered a Monday/Wednesday section, a Tuesday/Thursday section and a Friday section, all designed to provide individualized instruction through a low student – to-teacher ratio. Our new Early Intervention Learning Center, complete with a wonderful observation room that provides a space for parents to observe their child interacting in the classroom, also allows parents to connect with other parents during this time.

An exciting new addition to the Preschool Program was the integration of the sensory learning room. Now, in addition to the language-rich learning environment that is a staple of all of DePaul School's programs, students can experience a sensory-rich learning environment. This fosters both emotional growth and language capabilities that enhance the structured lessons they receive to learn to listen and talk.

Kindergarten and First Grade students benefited from the synergy that comes from expert teaching aligned with goal-driven instruction planned for each child. Our teaching staff collaboratively plans and teaches lessons specific to each student's learning needs while still maintaining a group learning environment. Students in Levels Two through Eight cultivated language skills integrated into science experiments, social studies research projects, and many writing assignments using a web-based platform that assimilates each student's reading and vocabulary level with the content in which they are working. Many of our students are working diligently to close gaps from years of limited access to sound, which impacts their formal education. Teaching students to listen, to speak, and to learn requires very precise instruction. Some students attending our elementary programs often transfer from another school and others have been here since they were very young.

Acquiring spoken language later in life (after three years of age) is arduous and demanding. It requires highly skilled teachers to effectively teach students the process of speaking clearly. This year, one of our teachers completed the PA certification requirements to become certified in English as a Second Language (ESL) instruction. Another finished her Master's degree in Special Education and a third has enrolled in a Master's in Reading program. We now have a Behavior Specialist, who is completing her Applied Behavior Analysis (ABA) credentials. It is not an overstatement to share that the cycle of teaching and learning is very active at DePaul School. Growth comes in many forms and is often very costly. We know with certainty that we could not accomplish our goals for student growth without your continued support.

Sincerely,

Ruth G. Auld, EdD
Executive Director

ENROLLMENT HIGHLIGHTS

2018-2019

10 New Students

8 Toddlers

1 Preschool Student

1 Elementary Student

50 Total Students

12 Toddlers

10 Preschool Students

28 Elementary/Middle School Students

**3 Students Commuted from
Out of State**

**69% of Enrolled Students had
Cochlear Implants**

MAINSTREAMING STUDENTS

Congratulations to all of our deaf or hard of hearing students who have transitioned to their neighborhood schools! At DePaul School, we celebrate the success of each individual child with hearing loss as he or she transitions to and thrives in the hearing and speaking world.

YEAR IN REVIEW 2018 - 2019

Our students learned all about fire safety from our Homewood Engine Company 17. They got to sit in the truck and hit the lights! It was so much fun (and educational)!

The Pittsburgh Pirates CARE-a-van visited and conducted a skills camp. Students learned to hit, throw, and catch the ball from Pirates players and coaches!

Our students were delighted to host the Sisters of Charity of Seton Hill for our annual Founders' Day Celebration!

DePaul Families were Listening and Speaking Rockstars at the Highmark Walk for a Healthy Community!

Hercules the therapy dog visited students in the spring. He brought along his friend and DePaul School Board member, Laura Kronk. The students loved Hercules!

The 1908 Society honors and acknowledges some of DePaul School's most ardent supporters and friends. These individuals provide direct annual support to further DePaul's mission to teach children who are deaf or hard of hearing to listen and speak. There is no deadline to join the 1908 Society--make your donation of \$1,000 or more and join these elite members in making a difference in the lives of the children and families we serve. For more information on how to join, please contact Sara Baines-Miller at 412-924-1012 or sbm@depaulhearingandspeech.org.

DEPAUL SCHOOL

FOR HEARING & SPEECH

Your gift means the world to us!

Without your generosity, our mission to teach children who are deaf or hard of hearing to speak and listen wouldn't be possible.

We invite you to come and see your gift in action with a tour and to meet the incredible students of DePaul School. To schedule a visit or to learn more about different ways to support DePaul, please contact our Chief Communications Officer, Sara Baines-Miller at sbm@depaulhearingandspeech.org.

Make sure to stay up to date with all of the happenings at DePaul made possible by your generosity. Sign up for our newsletter, visit our website, or like us on social media to follow the success of our students in the hearing world!
