## Dearest Friends of DePaul School –

How wonderful it is to redefine normal! After three years of a global pandemic dictating most facets of life, “normal” is starting to make a comeback with the necessary changes to help all of us grow and succeed.

In June of 2022, we helped families transition students into 14 “mainstream” locations including public schools in their neighborhoods, as well as a couple of students who were able to successfully transition into Catholic Schools!

Changes like this are not only normal, they are GREAT! It may have been hard to say ‘goodbye,’ but we know those students will flourish along side their hearing and speaking peers. We have done the good work we so expertly do at DePaul School, and helped these families redefine “normal” in their neighborhood schools. Each one is a celebration to us as we know these families will transition and grow in many positive ways, beyond the hallways of DePaul School.

Through times of transition, our stakeholders, like you, continue to provide us with support and encouragement. We celebrate the growth that these changes bring. Perhaps we grew a little more *resilient* because of these challenges, perhaps a little more ingenious to meet the constantly changing trials. We definitely grew even more appreciative for the support you have shown. It helps us to know the work that we do is important and that we are not doing this work alone. Your support has been a constant reminder that the DePaul Community is alive and well, and that we are so blessed, even in changing and challenging times.

With a grateful heart,

Ruth G. Auld, EdD

# YEAR IN REVIEW 2021 - 2022

As a special Easter surprise, our students were treated to a visit from some very special animals! One of our parents brought in baby chicks and bunnies for students to pet and hold!

For Read Across America Day, students and staff dressed up as their favorite literary characters and got to have a "lights out, read out" party! Each student had their own flashlight to read with!

The big man himself, Santa Claus, made a very special visit to DePaul School to listen to our students' Christmas wish lists and sing some carols together! The oldest students asked Santa all of their burning questions about his magical life.

In Spanish Club, students had a chance to not only practice their Spanish language skills, but also to experience different cultures and food! Members of the Columbian community visited with some special foods and drinks from their country.

We were so excited to see more than 150 alumni, families, and students at our Annual Picnic at Schenley Park in June!

### Your gift means the world to us!

Without your generosity, our mission to teach children who are deaf or hard of hearing to speak and listen wouldn't be possible.

We invite you to come and see your gift in action with a tour and to meet the incredible students of DePaul School. To schedule a visit or to learn more about different ways to support DePaul, please contact our Outreach and Development Manager, Julianne Bartko at [jb@depaulhearingandspeech.org](mailto:jb@depaulhearingandspeech.org).

Make sure to stay up to date with all of the happenings at DePaul made possible by your generosity. Sign up for our newsletter, visit our website, or like us on social media to follow the success of our students in the hearing world!
