DEPAUL SCHOOL
FOR HEARING & SPEECH

Our Mission:

The mission of DePaul School for Hearing and Speech is to develop listening skills and spoken language in children who are deaf, hard of hearing, or have spoken language communication challenges and to prepare them to transition to their home school district successfully at the earliest possible age.

Identity:

Founded in 1908 by the Diocese of Pittsburgh and the Sisters of Charity of Seton Hill, DePaul School for Hearing and Speech has been providing quality Listening and Spoken Language (LSL) education to children who are deaf or hard of hearing for 116 years. DePaul School is licensed by the Commonwealth of Pennsylvania as an Approved Private School (APS).

It is the policy of DePaul School to provide equal educational opportunities to all students who qualify for admission without regard to race, color, religion, gender, ancestry, or national origin.

Dearest Friends of DePaul School –

At DePaul School, every step forward is a testament to the strength and commitment of our community—students, families, educators, and generous donors like you. As we reflect on our accomplishments over the past year, the word that captures the spirit of our work is resolution. We have responded to unmet needs with thoughtful and intentional planning, venturing into new territory to meet those needs through successful new program opportunities.

Through your support, the SAILL (Speech and Integrated Language for Literacy) preschool program has relocated to a space where it can continue transforming the lives of preschoolers facing severe language delays. SAILL provides a lifeline to children struggling to develop clear spoken language. By immersing these young learners in a language-rich environment that includes intensive speech development and literacy instruction, we are not only preparing them for kindergarten but also unlocking their potential to communicate, learn, and thrive. Research assures us that addressing these specific learning needs before children enter kindergarten establishes a solid foundation for future success in school.

This year, we also introduced the Grow-Your-Own University Integrated Deaf Education (GUIDE) program, a registered apprenticeship for training teachers of the deaf. In partnership with local and national universities, GUIDE is addressing the critical shortage of certified teachers for students who are deaf or hard of hearing. By offering paid apprenticeships and a debt-free pathway to a master's degree in Special Education: Hearing Support PK-12, along with Pennsylvania teaching certification, we are investing in the future of deaf education—not just for DePaul School, but for schools across our region.

As we look ahead, we are renewing our focus on the core mission that has guided us since 1908: empowering students through spoken language. With every new initiative, every classroom breakthrough, and every word spoken by a child who once could not speak, we are reminded of the transformative power of education. We continue to tackle the challenges our students face in meaningful, and practical ways, thanks to your support.

Your generosity fuels our ability to dream bigger, reach further, and ensure that each child at DePaul School reaches their full potential. Thank you for believing in our students and their promise. Together, we are ensuring that DePaul School remains a place where every child's voice can be heard—today, tomorrow, and for generations to come.

With a grateful heart,

Ruth G. Auld, EdD
Executive Director

YEAR IN REVIEW 2023 - 2024

Our Drama Club students took center stage when Ethic Advertising visited to film a new commercial for DePaul School! From rehearsing their lines to getting hands-on with professional filming equipment, the students brought their theater skills to life in an unforgettable day of creativity and learning.

Our DePaul School and SAILL preschoolers delighted their families and friends with a festive holiday concert! Dressed in adorable Santa hats, they spread cheer by singing their favorite holiday tunes and showcasing the hard work they've put into their confidence and communication skills.

Our students received a bright smile and some valuable lessons when dental students from the University of Pittsburgh visited! They taught us all about keeping our teeth healthy - from proper brushing techniques to understanding how sugar affects our smiles. A big thank you to these future dentists for making dental health fun and engaging!

Our students had an unforgettable time skating at the Hunt Armory Ice Rink. After learning about hearing loss, the high school hockey team from Holy Ghost Preparatory School teamed up with DePaul students to share tips on ice skating and finding their balance on the rink. It was a heartwarming day of fun, teamwork, and new connections!

Our Level 1 math students turned sweet lessons into real-world skills by opening their very own candy shop! They practiced counting money, making change, and managing sales as they invited the whole school to stock up on treats. After a successful run, each student earned their "salary" from the profits—learning math has never been so rewarding (or delicious)!

DEPAUL SCHOOL

FOR HEARING & SPEECH

Your gift means the world to us!

Without your generosity, our mission to teach children who are deaf, hard of hearing, or with speech delays to speak and listen wouldn't be possible.

We invite you to come and see your gift in action with a tour and to meet the incredible students of DePaul School. To schedule a visit or to learn more about different ways to support DePaul School, please contact Linda, our Institutional Giving Officer, at lb@depaulhearingandspeech.org.

Make sure to stay up to date with all of the happenings at DePaul School made possible by your generosity. Sign up for our newsletter, visit our website, or like us on social media to follow the success of our students in the hearing world!
